5. Terms and Conditions

- Keep in mind that no DNA test of any kind is 100% accurate. Lumegen Laboratories does not take responsibility for incorrect results as collection, labelling and transport procedures are not within our control.
- If Lumegen requires clients to resend tests, Lumegen will not be responsible for the postal/courier expenses.
- The privacy of our clients is very important to us. We will never disclose any personal information or test results to outside sources, except the person who submitted the tests.
- By submitting a submission form, the client agrees that the information provided is correct. No alterations are allowed on result certificates after the results have been sent. Samples will not be accepted without the proper submission form.
- Lumegen Laboratories will not be held liable for consequential, incidental or other damages of any kind, even if Lumegen Laboratories have been advised of the possibility of such damages.
- For quality purposes, all avian samples are kept for at least three years before it is safely disposed of.
